INDEPENDENT ACCOUNTANTS' REVIEW REPORT

Board of Directors
Grow It Green Morristown, Inc.
Morristown, New Jersey

We have reviewed the accompanying financial statements of Grow It Green Morristown, Inc., (Organization), a nonprofit organization, which comprise the statement of financial position as of December 31, 2022, and the related statement of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the combined financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United State of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review in accordance with *Statements on Standards for Accounting and Review Services* promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Grow It Green Morristown, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Board of Directors
Grow It Green Morristown, Inc.

GROW IT GREEN MORRISTOWN, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 1 - NATURE OF ORGANIZATION:

Grow It Green Morristown, Inc. (Organization) was founded in 2009 with a mission to promote health to strengthen communities through urban agriculture, discovery-based learning and equitable fresh food access. The Organization has a unique operating model creating local solutions for a more sustainable food system at its three locations: The Urban Farm, Early Street Community Garden and St. Elizabeth University Greenhouse, while also bringing fresh food, economic opportunity and social connectedness to the area operating the 10th annual Morris Winter Farmers Market.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial Statement Presentation:

Net assets and revenue, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets not subject to donor-imposed stipulations.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time, and other net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions.

Cash:

The balance of cash includes deposits held in bank checking and savings accounts.

Accounts Receivable:

Accounts receivable is stated at the amount the Organization expects to collect from outstanding balances, net of an allowance for doubtful accounts. The allowance is based on historical bad debts and management's evaluation of outstanding balances at year-end. As of December 31, 2022, management has determined that no allowance is required.

Property and Equipment:

Property and equipment are recorded at cost on the date of acquisition or at the fair market value of the asset based on values of comparable assets at the date of gift for donations. Depreciation is computed using the straight-line method over estimated useful lives ranging from 3 to 5 years; land improvements are not depreciated. When assets are retired or otherwise disposed of, the costs and accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in the change in net assets for the period. The cost of maintenance and repairs is charged to expense as incurred.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Revenue Recognition:

Contributions, including unconditional promises to give, are recognized as revenue when they are received or unconditionally pledged. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received. All contributions are available for unrestricted use unless specifically restricted by the donor. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions. Contributions with restrictions that are met in the same reporting period as they are received are reported as unrestricted support.

Revenue from government grants is recognized in the period when forgiveness is awarded.

The Organization derives a significant portion of its revenue from program income, which includes sales of produce. This revenue is recognized at a point of sale when the consumer purchases the produce at the Organization's farmers' markets. The control is transferred to the Organization's consumers in an amount that reflects the consideration the Organization expects to be entitled to in exchange for the produce. There are no significant financing components or variable considerations provided to clients.

In-kind Services:

In-kind services are recognized in the financial statements when those services create or enhance nonfinancial assets and require specialized skills provided by individuals possessing those skills and which would be typically purchased if not provided by donation. In-kind services are recorded as a contribution and an expense at their estimated fair value at the date of donation. There were no in-kind services for the year ending December 31, 2022.

The Organization also benefits from services provided by volunteers. The value of these services has not been reflected in the financial statements since they do not meet the criteria for recognition under accounting principles generally accepted in the United States of America.

Advertising:

Advertising is expensed as incurred.

Income Tax Status:

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is not liable for federal and state income taxes. The Organization follows standards that provide clarification on accounting for uncertainty in income taxes recognized in the Organization's financial statements. The guidance prescribes a recognition threshold and measurement attribute for the recognition and measurement of a tax position taken, or expected to be taken, in a tax return, and also provides guidance on derecognition, classification, interest and penalties, disclosure and transition. The Organization's policy is to recognize interest and penalties on unrecognized tax benefits in income tax expense. No interest or penalties were recorded during the year 2022. At December 31, 2022, there were no significant income tax uncertainties.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Use of Estimates:

In preparing financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. These estimates and assumptions are based on management's best estimates and judgment. Actual results could differ from those estimates.

Subsequent Events:

The Organization has evaluated its subsequent events and transactions occurring after December 31, 2022 through August 21, 2023, the date that the financial statements were available to be issued.

NOTE 3 - PROPERTY AND EQUIPMENT:

Property and equipment consists of the following at December 31:

	December 31,	
	2022	2021
Furniture and equipment	\$ 14,017	\$ 14,017
Truck	32,488	32,488

GROW IT GREEN MORRISTOWN, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 5 - PAYCHECK PROTECTION PROGRAM LOAN:

The Organization obtained Paycheck Protection Program (“PPP”) loans under the CARES Act in April 2020 for \$33,250 and May 2021 for \$34,912. The Organization recognizes the PPP funds received when the Organization receives forgiveness from the Small Business Administration (“SBA”). The Organization received formal forgiveness for the first loan in July 2021. The second loan is recorded as a refundable advance and was recognized as revenue in 2022 as the Organization received forgiveness in May 2022. All amounts received under the PPP were recognized as revenue from government grants on the statement of activities and changes in net assets during the years ending December 31, 2021 and 2022. The SBA reserves the right to audit loan forgiveness for six years from the date loan forgiveness was awarded.

NOTE 6 - FUNCTIONAL EXPENSES:

Costs of providing the Organization program services, management and general, and fundraising activities are separately summarized in the statement of functional expenses. Accordingly, certain costs have been allocated among those program services, management and general, and fundraising activities benefited. Management and general costs include those expenses that are not directly identifiable with any other specific function but do provide for the overall support and direction of the Organization. The expenses of salaries and related expenses are based on time and effort. All other expenses are direct costs.

NOTE 7 - CONCENTRATIONS OF RISK AND UNCERTAINTIES:

For the year ended December 31, 2022 three donors accounted for approximately 31% of total donations. For the year ended December 31, 2021 4 donors accounted for approximately 43% of total donations.

Financial instruments that expose the Organization to concentrations of credit risk consist primarily of cash. The Organization maintains its cash in accounts with federally insured institutions. At times, the balances in these accounts may be in excess of federally insured limits.
